CAPTAIN EVANS LEAVES THE IOWA.

He Asked to Be Relieved, and
Secretary Long Grants
His Request.

HE SERVED OUT HIS FULL TERM.

When Captain Evans Takes Command
of Another Warship It Is Likely
to Be a Flagship.

HE WILL BE ON THE INSPECTION BOARD.

Captain Silas Terry Will Assume Com-
mand of the Iowa and Take That
Ship With the Oregon to
the Pacific.

Washington, Sept. 16.—Captain Rob-
ley D. Evans called at the navy depart-
ment Thursday and had a long talk with
Secretary Long, the immediate result of
which was the issuing of an order re-
lieving him of the command of the bat-
tleship Iowa, which is now being re-
paired at the New York navyyard. This
was done at Captain Evans' personal
request. He has served more than the
period required by regulations and prac-
tice for a captain to command, and his
next sea service will be in flag rank. He
has been granted a leave of absence and
in the meantime the nature of the next
duty will be determined. It will cer-
tainly be ashore, and he may be assigned
to membership on one of the naval
boards.

The next commander of the Iowa will
be Captain Silas Terry, now in com-
mand of the receiving ship Franklin at
the Norfolk navyyard. He will take
the battleship around South America
and over to Honolulu in company with
the Oregon and some colliers.

Secretary Long decided to assign Cap-
tain Evans to duty as a member of the
naval inspection board, and he will as-
sume his new duties after a brief vaca-
tion.

reduced so largely.

Miles' Plan to Reduce Army.

Washington, Sept. 16.—General Miles'

Two Important Arrests.

Lausanne, Switzerland, Sept. 16.—

here in connection with the assassination
on Saturday last of Empress Eliza-
beth of Austria. A vagrant named
Guadagnoli, who was arrested on the

nized as a dangerous anarchist. It is
believed he is the man who made the
handle for the file with which the em-
press was murdered. The second pris-
oner, an anarchist named Barbotti, is
charged with harboring Luichini, the
